

Steam Through Dorset

Swanage Railway – Part of a Great Day Out in Dorset

Advance booking saves hassle and guarantees reserved seats on our trains. Save on regular prices.

Take a trip back in time with a nostalgic trip through the beautiful Purbeck countryside behind a historic steam locomotive. Travel from Swanage with its award-winning beach and stunning Jurassic Coast views up to Corfe Castle. Leave the train to tour the castle or the famous Corfe Castle Model Village or stay on the train for the best castle views on the short trip to Norden.

A buffet service is available in Swanage and Norden while many train services also have a buffet. The Bird's Nest buffet at Swanage Station serves cream teas with locally-baked scones. Cream teas should be ordered in advance for group bookings.

The Swanage coach drop-off and pick-up is adjacent to Swanage Station. Free coach parking is available at Norden Park & Ride for coaches booked in advance.

Check our discounted prices for groups of fifteen or more. Our Web site provides details of the current timetables, offers and events.
