

Activity Sheet

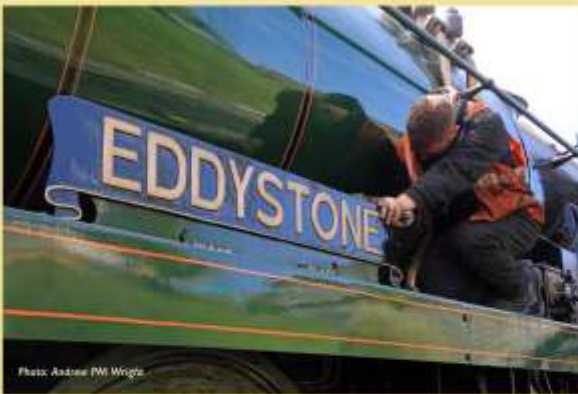

Swanage Station

Swanage Railway Station is nearly 140 years old and is where all of our trains to Norden leave from.

Did you see the model of Swanage and Corfe Castle stations when you were buying your tickets? Can you find the station building?

Before you get on the train can you see which steam engine will be pulling you today? Can you write its number or name here?

Swanage Station

We've hidden 3 swans around
the station - can you find
them?

Harmans Cross

When you go through Harmans Cross, can you spot Annabel?

Corfe Castle Station

There are two signal boxes at Corfe Castle station - can you find both of them?

What is one thing that you will find at Corfe Castle, but not any of the other stations?

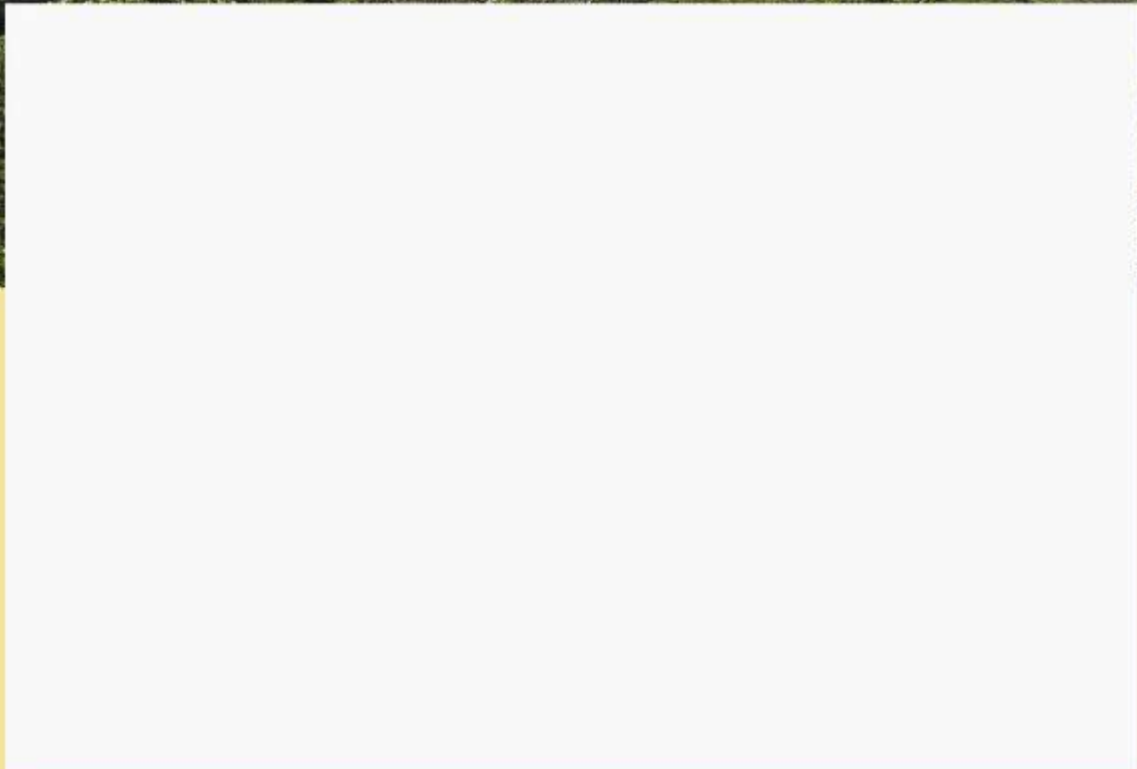

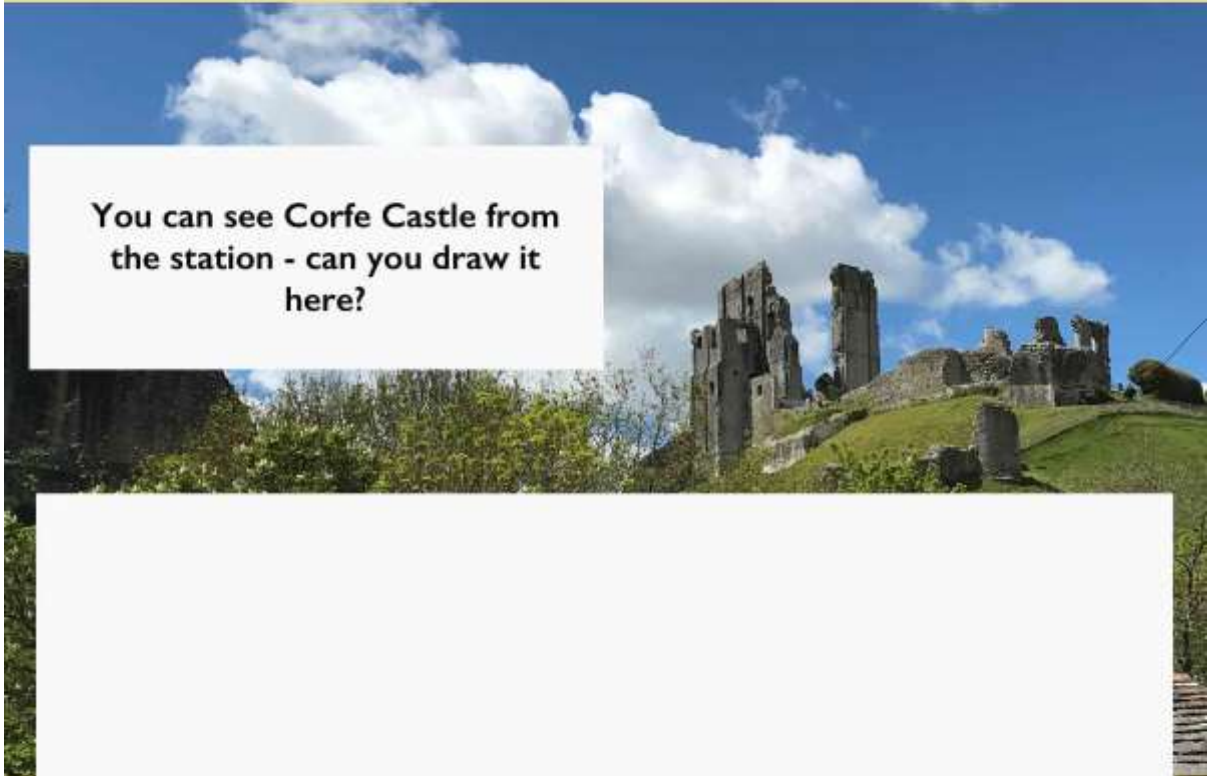

Clue: It goes up and down!

**Have you met our friendly Porters?
Why not speak to one and ask their name?**

Corfe Castle Station

You can see Corfe Castle from the station - can you draw it here?

On the train

We've enjoyed spending time
with you on the Swanage
Railway today

What was your favourite thing you saw or did today?
